We will admit 20% scholar student through this examination. So, that the academic quality is increase.

### Training Curriculum :-

The Institute maintain a rigid training standard as prescribed in the training manual issued by DGET, New Delhi. In compliance to this standard, the institute maintains a group of qualified and experienced instructional faculty to import methodical training to make the trainees fit for employment in industries as well as for self employment by availing financial assistance from the Govt. agencies. During the training period, regular monthly tests are conducted to evaluate the performance of the trainees. In order to bring the trainees of poor standard to an average level, extra efforts are made conducting coaching classes. As a result of this, Performance of our trainees is alaways appreciated by all concerned.

We will conduct 5 internal assessment and 1 pre examination test online which makes the students easy to score good number in CTS examination. We will provide model of each chapter wise. Among the model there are five sets of MCQ. This is making easier to study the syllabus in MCQ pattern.

**Examination & Certification :** CTS (Craftsman Training Scheme) exam are conducted directly by NCVT (National Council of Vocational Training, Directorate general of employment & Training ministry of labour & Employment, Government of India) at any venue finalized by them. After the successful completion of the trade, the certificate is also awarded directly by the NCVT.

**Hostel & Accommodation :** We have provided hostel (100 seats) in our college campus. The craftsman training is a time bound program and fully practical oriented. Sometimes special classes are conducted beyond the training hours. It is therefore advised the trainees should prefer to stay in the hostel for their better study and guidance from the faculty members.

Establishment Charge	Rs. 2000/- (One Time)
Accommodation, Lunch & Dinner	Rs. 3000 /- (Per Month)

**N.B:** This hostel fees structure can be changed which is decided by management.

Hostel establishment charge is deposit by students at the time of admission in hostel. Fees is deposit by students within 5<sup>th</sup> of the specific month.

Students seeking admission in the hostel will apply in the prescribed format to the principal / Hostel-super.

### Other Programmes and Activites

**Computer Training :** Computer is a essential part now-a-days besides the craftsman training. Accordingly a period for computer class has been provided in the time table. MS Office, Excel, Power Point and internet are taught in the computer training program.

**Auto - Cad Training Programme :** Auto Cad is well - known drafting software for technical students. Our institute also offers Auto - Cad training along with our general computer training. Graphic, Structural, Layout and Engineering drawing both in two dimensions and three dimensions are taught with some nominal charges. New modern up to date computer machines are installed for this purpose. Globalize accepted certificates are given to successful trainees of this course.

**Industrial Visit :** The Institute provides industrial visit for the ITI students which help them a lot of practical exposure in respective field. Students will gain practical knowledge effectively and participate meaningfully with rapid changing up to date machines and equipment. The industrial visit is given by the students of specific dept.

**Recruitment / Placement based Training Activity :** Besides the traditional practical as per DGET norms some special placement based training programme is designed to suit the concerned industry or organization.

**Seminar / Workshop :** The institute also conducts seminars, symposium, and workshop to create general awareness among students regarding modern pedagogy on working of modern industries by inviting eminent engineer's technicians, professionals from industries and Govt. officials. The institute offers many job oriented practical works which is more beneficial to the trainees.

**Training & Placement Cell :-** Dasagram Anuran Pvt. ITI has its own 'Placement Cell' to arrange post-examination engagement to the successful trainees.

- During 2<sup>nd</sup> year training besides normal curriculum comprehensive training is given on communication Skill, Spoken English, Aptitude, Quantitative ability and reasoning to make students fit for campus interviews.
- 100% job opportunities are provided to the deserving successful trainees.
- Campus interview arranged by different organization to select trainees for appointment.
